# *Situating OIST* in Okinawa

This event is  
open to **everyone!**  
(Sign-up required)

How does OIST fit into the broader historical and social context of Okinawa? What role can OIST play in a truly sustainable, prosperous and just future for these islands and the planet? Join us for critical perspectives and insights on these topics from two distinguished speakers, followed by an informal forum to discuss community relations with Onna Village Assembly members\*.
