OIST-Phase 1 RFP Outline of Questions and Answers(ページ 33) Purpose:	Confirm any uncertainties regarding the contents of the proposal or its supporting material. There will be opportunity for the participating vendor to submit questions prior submitting the proposal to OIST. Additionally, if OIST requires further information after your submission and oral presentation another Q&A session will be requested. This will help OIST to judge your proposal and/or oral presentation material.	Confirm any uncertainties regarding the contents of the proposal or its supporting material. There will be opportunity for the participating vendor to submit questions using “QA Record Sheet” until August 25. Additionally, if OIST requires further information after your submission and oral presentation another Q&A session will be requested. This will help OIST to judge your proposal and/or oral presentation material.
OIST-Phase 1 RFP Outline of Questions and Answers(ページ 33) Implementation requirements:	<ul style="list-style-type: none">✓ A question-and-answer session for up to one hour on the previously submitted proposal and its supporting materials.✓ If OIST has sent questions to your company in advance of this Q&A session, the answers should be included in the Q&A session.✓ Coordinate the following with the "OIST Contact" (see slide 37)	<ul style="list-style-type: none">✓ A question-and-answer session for up to one hour on the previously submitted proposal and its supporting materials.✓ If OIST has sent questions to your company in advance of this Q&A session, the answers should be included in the Q&A session.✓ The following matters will be decided after consultation

	<p>prior to submitting the proposal to OIST</p> <ul style="list-style-type: none"> ● Date and time of the question-and-answer session ● How to Conduct the question-and-answer session (OIST Meeting Room) 	<p>between OIST and the participant:</p> <ul style="list-style-type: none"> ● Date and time of the question-and-answer session ● How to Conduct the question-and-answer session (OIST Meeting Room/Zoom)
