OIST'S VISITING PROGRAM

Open Call for Visiting Scholars April 2027 - March 2028

OIST's Visiting Program (TSVP) was launched in June 2021, with the goal of bringing leading researchers to OIST for extended visits. In keeping with OIST's interdisciplinary mission, the program spans all fields including, but not limited to, mathematics, physics, computational sciences, chemistry, engineering, and life sciences.

- Individual visits to OIST of 3 to 12 months
- Open to candidates pursuing independent research (at least senior postdoc level)
- Open to all disciplines and fields of research (researchers requiring access to a lab should apply as "Experimental Visiting Scholars")

Provided by OIST

- Round-trip airfare
- On-campus housing
- Daily allowance
- Office space
- Logistical and administrative support from TSVP staff
- Access to OIST's computing resources, library, and research facilities
