

**SIP Industry Events - SIP Global Leader Program- @SQulP**  
**OIST Main Campus Sydney Brenner Lecture Theater (Seminar Room B250)**

June 8 (Monday)

17:00-18:00: SIP topical talk and pitch talks

**17:00-17:30: Pitch Talks**

- Yuichi Nakamura, NEC Corporation (Japan)  
Introducing to the activities of NEC's quantum technology
- Yu Yamashiro, Jij Inc. (Japan)  
Bridging Quantum Research and Industrial Applications: JIJ's Software Approach

**17:30-17:55: Topical Research Talks**

- Hiroyuki Moriya, NTT Basic Research Laboratories (Japan)  
Nonreciprocal propagation of surface acoustic wave induced by magnon-phonon coupling in a single magnetic layer

18:00-20:00: Networking Dinner (SIP)

June 9 (Tuesday)

11:45-13:15: Networking Lunch (SIP)

13:15-14:45: Poster Session (SIP)

**SIP Industry Company Poster**

- Yuichi Nakamura, NEC Corporation (Japan)  
NEC's Activities in Quantum Technologies
- Yu Yamashiro, Jij Inc. (Japan)  
Quantum, AI, and Optimization for Complex Planning Challenges

June 11 (Thursday)

13:15-14:45: Poster Session (SIP)

**SIP Industry Company Poster**

- Naoki Takekoshi IHI Corporation (Japan)  
Diamond NV Center Experimental Training in the SIP Program at OIST
- Masatoshi Yaji, Toyo Corporation (Japan)  
Connecting Quantum Technologies, Advanced Measurement, and Future Industries  
~Building a Quantum Ecosystem through a Technology Solutions Provider~

18:00-20:00: Networking Dinner (SIP)

June 12 (Friday)

11:00-12:00: SIP topical talk and pitch talks

**11:00-11:25: Topical Research Talks**

- Kosuke Takiguchi, NTT Basic Research Laboratories (Japan)  
Electronic transport properties of titanium nitride grown by molecular beam epitaxy

**11:25-11:55: Pitch Talks**

- Naoki Takekoshi IHI Corporation (Japan)  
Diamond NV Center Experimental Training in the SIP Program at OIST
- Yasunari Tanaka, Toyo Corporation (Japan)  
Connecting Quantum Technologies, Advanced Measurement, and Future Industries  
~Building a Quantum Ecosystem through a Technology Solutions Provider~

12:00-13:30: Networking Lunch (SIP)
