1	<p>1. In "Documents to be submitted", it is stated "· MAC addresses of all the Ethernet and Management interfaces are to be provided to OIST through excel file.". However it is not possible to determine them before placing the order. Can it be not with the bidding documents but later?</p> <p>2. In "Documents to be submitted", it is stated "Operation manual in English (two set)". Can it be not with the bidding documents but later? Aggregated size of the documents would exceed the allowed size for the attachments of the electronic bid system.</p>	<p>It is not necessary for bidders to submit the documents 1.and 2. with the bidding documents. However, the successful bidder must submit 1.and 2.by the delivery date.</p>
